

2022

The diagram illustrates the evolution of the Russian political system from 1991 to 2022. It features a central vertical timeline with various symbols (circles, squares, triangles) and text labels in Russian and English. The timeline is divided into several periods, with 2022 marked as a significant point. The diagram illustrates the transition from a democratic system to an authoritarian one, with labels like 'Демократия' (Democracy), 'Авторитаризм' (Authoritarianism), and 'Система' (System).

Key elements of the diagram include:

- Timeline:** A central vertical axis with years 1991, 2000, 2007, 2012, 2017, and 2022 marked.
- Labels:**
 - 1991: Демократия (Democracy)
 - 2000: Авторитаризм (Authoritarianism)
 - 2007: Система (System)
 - 2012: Система (System)
 - 2017: Система (System)
 - 2022: Система (System)
- Symbols:**
 - Circles: Representing democratic or liberal values.
 - Squares: Representing authoritarian or conservative values.
 - Triangles: Representing a third, possibly hybrid or transitional, state.
- Flow:** The diagram shows a progression from a democratic system in 1991, through a period of authoritarianism in 2000, to a system that becomes increasingly authoritarian and centralized by 2022.
